4. Build Responsive Real-World Websites with HTML and CSS, Udemy (ongoing)

Projects:

1. **Weather Application** (Express, JavaScript, CSS, Bootstrap, PostgreSQL)
2. **Event Booking Application** (Django, Python, JavaScript, CSS, SQLite)
3. **PolarFeed: Social Network** (Express, JavaScript, CSS, PostgreSQL) - Ongoing

HackTheBox Academy – Learning about various pen-testing methods and techniques.

Languages

English (Proficient), German (Basic), Greek (native)

Hobbies & Interests

I have a keen interest in free diving and have acquired the second level certification by Association Internationale pour le Développement de l' Apnée (AIDA 2). Furthermore, I used to swim competitively for 11 years and still enjoy doing so in a non-competitive manner.
